## 2018 Brookford Chardonnay Semillon

Australia > South Eastern Australia

Chardonnay

Brilliant pale straw in colour with lifted fresh melon fruits on the nose. Nice balance of fruit sweetness on the palate consisting of smooth soft peachy melon fruit with clean acid astringency on the palate.

### About us

Offering a contemporary pair of Australian wines from the Riverina region in New South Wales. These wines are made by talented winemaker Carmelo D'Aquino and show excellent body, upfront fruit and well defined structure.

### Viticulture

The Chardonnay and Semillon fruit parcels in this blend are sourced from selected vineyards in South Eastern Australia. The vineyards are drip irrigated and trained to a single cordon single foliage wire.

### Vinification

The Semillon grapes are harvested in the early morning to avoid damage to the Semillon vines which can snap if harvested during cold nights. The Chardonnay which can handle the cooler weather is harvested during the night. The grapes are lightly crushed ensuring that the free run juice extraction contains minimal phenolics. The juice is fermented on French oak staves to give complexity to the varietal fruit flavours.

### Recommendation

Delicious on its own or serve with fisherman's pie, roast chicken, vegetable lasagne or creamy noodle dishes.
