

ALDRIDGE

2018 Aldridge Rams Head Shiraz Cabernet Sauvignon

Australia > South Eastern Australia
Shiraz

Subtle aromas of raspberry and spicy fruit on the nose. A flavoursome palate with savoury currant and stewed plum characters. Integrated with lingering vanillin oak.

About us

Easy drinking Aldridge Estate offers a range of classic Australian blends and single varietals. Stylish labels depict the brand's close links with the Snowy Mountains whose rainfall and meltwaters feed the mighty Murrumbidgee River that irrigates the Aldridge vineyards.

Terroir

The vineyard from which the grapes are sourced for this wine was planted in 1989. The vines are trained to a double cordon with a single foliage wire.

Viticulture

The vineyard from which the grapes are sourced for this wine was planted in 1989. The vines are trained to a double cordon with a single foliage wire.

Vinification

Grapes were harvested at around 13.5 Be. The must was fermented at temperatures, between 20 and 28 degrees in order to help extract flavour and colour components from the grape skins. The skins are gently pressed, insuring that soft tannins would be present in the final wine. The wine was then stored on Americian oak staves and allowed to mature prior to bottling.

Recommendation

Ideal match for roast meats, stews, pasta dishes and pizza

Alcohol:	12.50 %
Temperature:	13° - 18° C
