About us

The call of the Australian Kookaburra sounds just like manic laughter and it is often colloquially referred to as the "Laughing Bird".

This range has a contemporary Australian feel with quirky packaging that stands out on shelf and is designed to bring a smile to the consumer.

Viticulture

Grapes are specially selected from small parcels of vines in South Eastern Australia. The vines are carefully cultivated to our specifications, with low yields producing intensely flavoured grapes of outstanding quality

Vinification

The grapes are lightly crushed, ensuring the free run juice extraction contains minimal phenolics. The juice is fermented on French and American oak staves to give complexity to the varietal fruit flavours.

Recommendation

Perfectly suited to creamy pastas dishes, mushroom risotto, Caesar Salad and roasted chicken.
